

2009 ALA Annual Conference Golf Event

Sunday IS Fun Day!

September 13, 2009 • First tee off 12:30 p.m.
Terranea Executive Golf Course • Rancho Palos Verdes, Calif.

Get ready to enjoy Terranea's beautiful on-grounds golf course, cool ocean breezes and visiting with your peers during the 2009 Annual Conference Golf Event!

A 9-hole par-3 course means fun for all golfing abilities in a relaxed atmosphere.

The executive course at Terranea was designed by Todd Eckenrode and takes its inspiration from the famous 9-hole short course at Pebble Beach. It is the perfect venue for friends and couples to enjoy the ocean setting and hone their short game skills.

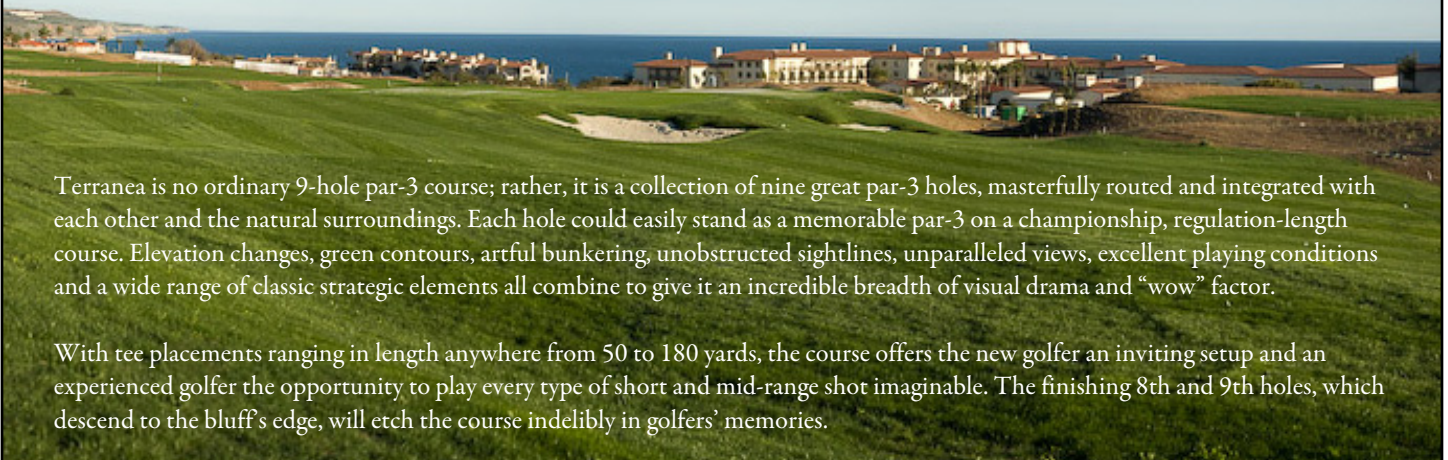

For the Annual Tournament, nine foursomes will tee off in a shotgun start at 12:30 p.m., and nine others will tee off later in the afternoon (approximately 3 p.m.) Before or after your nine holes, take your best shot at the putting, chipping and plastic-ball longest drive contests for a chance to win great prizes.

A buffet lunch and beverages will be available to registered golfers, and guests/spectators are welcome to enjoy the cash bar.

Tournament Fee: \$115

To register or request golf pairings, contact Elizabeth Ware at eware@americanlightingassoc.com. Limited to 72 golfers.

Terranea Executive Golf Course

Terranea is no ordinary 9-hole par-3 course; rather, it is a collection of nine great par-3 holes, masterfully routed and integrated with each other and the natural surroundings. Each hole could easily stand as a memorable par-3 on a championship, regulation-length course. Elevation changes, green contours, artful bunkering, unobstructed sightlines, unparalleled views, excellent playing conditions and a wide range of classic strategic elements all combine to give it an incredible breadth of visual drama and "wow" factor.

With tee placements ranging in length anywhere from 50 to 180 yards, the course offers the new golfer an inviting setup and an experienced golfer the opportunity to play every type of short and mid-range shot imaginable. The finishing 8th and 9th holes, which descend to the bluff's edge, will etch the course indelibly in golfers' memories.
